ABOUT SAVE: UNLEASHING COMPASSION, BUILDING BONDS

Established in 1941, SAVE operates as an autonomous 501(c)(3) non-profit animal shelter with a mission to safeguard the well-being of homeless companion animals across the greater Princeton area and beyond. Utilizing six foundational programs—Rescue, Shelter, Health and Welfare, Spay/Neuter, Foster, and Adoption—SAVE is committed to the rehabilitation and successful placement of treatable and adoptable animals. Furthermore, SAVE strives to nurture and fortify the connection between humans and animals.

EMPOWERING CHANGE: VOLUNTEERS AND COMMUNITY

At SAVE, dedicated volunteers and a supportive community drive our success. Fueled by a shared passion for animal welfare, volunteers invest time and compassion to ensure shelter residents' well-being. Beyond our walls, the community raises awareness and support, amplifying our impact. SAVE thrives through the collective commitment and collaboration of volunteers and the community, making a lasting difference in the lives of our beloved animals.
