HousePaws Adult Lecture Series Early Disease Recognition Tuesday, March 19th @ 6:00 pm

Join Dr. Hecht as she discusses the most common disease states of pets, both zoonotic and non-zoonotic, as well as how to recognize them before they become a problem for your pet. Light snacks and refreshments will be provided. The program will last approximately thirty minutes with extra time allotted for questions.

A \$10 donation to SAVE per attendee is suggested (cash or check).

Please contact us with questions and to RSVP by March 15th.

Event will be held at:
SAVE a Friend to Homeless Animals
1010 Route 601, Skillman, NJ 08558
